JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

McHenry the latter part of May; all other fevers in Eucutta positively pronounced not yellow fever.

One new case in McHenry, a negro, traced to original focus, and one other in a previous focus.

One case of yellow fever at Angel Island quarantine station.

ANGEL ISLAND, CAL., June 18, 1898.

Steamer *Newport*, from Panama, brings a case of yellow fever. Autopsy by Mathewson and myself confirms the diagnosis.

ROSENAU,
Passed Assistant Surgeon, U. S. M. H. S.

Smallpox in Alabama and Mississippi.

MOBILE, ALA., June 15, 1898.

SIR: I have the honor to report that since Surgeon Murray's letter of the 4th instant 2 patients, both colored, suffering from smallpox have been admitted to the county hospital from this city. One case has been admitted from Whistler. There are at present 6 cases in the county hospital.

Dr. Fonde, Louisville and Nashville Railroad smallpox inspector, reports quite a number of cases in the country, on the line of Louisville and Nashville Railroad, between here and Montgomery.

I am, very respectfully, your obedient servant,

JOHN F. ANDERSON,
Assistant Surgeon, U. S. M. H. S.

MOBILE, ALA., June 15, 1898.

SIR: I have the honor to report, in addition to the report of Assistant Surgeon Anderson of this date, that a soldier of the First Alabama Volunteers developed smallpox on the 10th instant, and was sent to the county hospital. This case is traced to the first case reported.

Since my last report, 4 cases have been reported at Hattiesburg, Miss.; 3 new cases at Laurel, Miss.; several cases at Prairie, Miss., and a few at West Point, Miss. In all, about 100 cases have occurred near Shubuta, Miss. There are rumors of cases at Meridian, Miss. One new case has been admitted to the camp at Hurricane Bayou, Ala.

I am, very respectfully, your obedient servant,

R. D. MURRAY,
Surgeon, U. S. M. H. S.

Smallpox at Statesville, N. C.

WILMINGTON, N. C., June 16, 1898.

SIR: I have the honor to report that in obedience to telegraphic instructions, Surgeon-General's Office, dated June 9, 1898, I proceeded to Statesville, N. C., for the purpose of investigating supposed cases of smallpox and conferring with the authorities as to the best means for its suppression. I arrived on the morning of June 11, and was met by the mayor and County Physician Long. Accompanied by County Physician Long, I saw all of the 11 cases, all of which proved to be smallpox. Of this number, 8 were about recovered, 1 was in the third week of the eruption, 1 in the eighth day of the eruption, and 1 in the second day of the eruption. These were all the cases that had occurred in the
